REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record alone or in combination fail to disclose a bow and arrow stand as claimed having particularly two padded horizontal members, a quiver, and a magnetic accessory bowl attached to the upper vertical portion combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Fraley, Williams, Ibarra, Krommenakker, Paumen et al, Parker, Samuels et al, and Walls et al demonstrate ground inserted wire stand of generally state of the art. However, none show the claimed features of two padded horizontal members, a quiver, and a magnetic accessory bowl attached to the upper vertical portion combination.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Korie H. Chan whose telephone number is 571-272-6816. The examiner can normally be reached on Monday - Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Leslie Braun can be reached on 571-272-6815. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
